## Distinctive Orlando Golf

### Welcome to Eagle Creek Orlando!

The golf course was designed by world renowned golf architect Ron Garl and European designer, Howard Swan and opened in 2004. The course has five par 5's, six sets of tees, and riveted face bunkers that are reminiscent of those found in Scotland and England. In addition, the course is an Audubon International Silver Sanctuary and is the first course in Florida with Mini-Verde greens, providing outstanding playing conditions.

- USGA rules govern all etiquette and play except where local rules apply.
- Please keep all golf carts 50 yards from all greens to preserve the health of our turf.
- Please help keep our course in great condition by fixing more than your own pitch marks and filling more than your own divots.
- Penalty areas are defined by red stakes or red lines.
- Out of bounds are defined by white stakes or fence lines.
- Fence lines define the out of bounds on all holes.
- Inside edge of street curbs define out of bounds on holes 4, 5, 6, and 9.
- Restrooms are located on holes 5 and 14 for your convenience. Check with the starter or Pro Shop for today's restroom code.
- Inside edge of cart path around the back of the 18th green defines out of bounds.
- Landscape beds are considered part of the course through the green.
